

We are posting some guidelines/rules below to help insure everyone's safety while enabling us to resume practices and races at Daniels Ridge MX. Most are things we have already heard and are doing anyway but please read over these before attending any events at our facility. Also, parents please read/share these guidelines with your kids.

Attendance:

1. If you are sick, or recently have been - Stay Home.
2. If you have been in contact with a positive case of covid-19 in the last 2 weeks - Stay Home.
3. If you are "high risk" – Stay Home
4. Please bring hand sanitizer and or Clorox wipes for your groups' personal use.
5. Most of us have a thermometer at home. Please check everyone's temperature in your group before leaving your house to come to Daniels Ridge. If anyone has a temperature of 100.4 or higher you have a fever and stay home.
6. If your rider receives an award from us, please clean it with cleaning/Clorox wipes asap.

Gate:

1. Bring exact change. 0-6 Free, 6-12 \$5, 12 and over \$10
2. Bring your own pen.
3. Sign Up forms will be available at the gate to fill out inside your own vehicle. When filled out bring to sign up to register.

Sign Up:

1. Exact change again. 1st class \$20, 2nd class \$15, 3rd class \$10. Membership \$5 per year.
2. Please do class research at home before you arrive to decide which class you want to compete in. If you need help deciding, call. 828-850-1421 (Richie), preferably before race day.

Parking.

1. Park at least 10 feet apart.
2. This should be the place your group/family spends most of their time during the event.

Spectators:

1. Social Distancing. Stay 6 feet apart if standing on the fence line and inside the mechanics area. Folding chairs are a good idea to help ourselves from "walking around".
2. Bleachers may be used if 6 feet apart from others.
3. Mechanics area. This is for mechanics/parents only. If you have a small child that likes to "run around" or pull on the mechanics area boundary ropes, please have them stay in their own pit area with family.

Restrooms:

1. Restrooms are for all of us to use. Wash your hands when entering restrooms as well as when leaving restrooms. Daniels Ridge staff will clean/wipe down restrooms but all of us using the facilities can also help. Think of your safety as well as others.

Enjoy: We are glad to be back holding practices and races again and we hope everyone enjoys their selves. Stay safe and we hope to see you soon.
